	Total	

Please provide a short background to the problem that you have gathered from the literature or anecdotally	
How does your MSc / PhD align with TROPHI regional needs or is aimed at building capacity for involvement in research, translation or education.	
How does your research address a gap in the current knowledge and/or skill and address a workplace / practice.	
How will you use the skills and/or knowledge gained from your MSc / PhD benefit a practice and the region.	
Could you please outline your methodological approach.	
Please confirm that if successful you would commit to provide a report to TROPHI on your MSc/PhD completed and to share your experience through the TROPHI communications channels – i.e. preparation of a manuscript for publication and/or a conference presentation.	
Please provide the names of your supervisors and a letter/email of support from your principal supervisor
